

REMARKS

In the Office Action the Examiner rejected claims 1-2, 12, 15-16, and 23 under 35 U.S.C. 102 as being anticipated. Claims 26-28 have been withdrawn. Claims 3-11, 13, 14, 17-22, 24, and 25 remain under examination.

The claims that remain in the application are ones that have been amended to the form indicated by the Examiner as being allowable or are ones that depend directly or indirectly on a claim that has been amended to the allowable form. Accordingly all claims remaining in the application should be allowable.

No amendment made was related to the statutory requirements of patentability unless expressly stated herein. No amendment made was for the purpose of narrowing the scope of any claim, unless Applicant has argued herein that such amendment was made to distinguish over a particular reference or combination of references.

Applicants believe the application is in condition for allowance which action is respectfully solicited. Please contact the below-signed if there are any issues regarding this communication or otherwise concerning the current application.

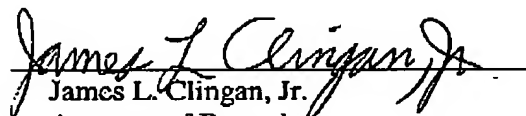

Respectfully submitted,
